Music Conversion (incl. Personal Audio Recordings)

IMPORTANT: Under copyright law in New Zealand, it is legal to have a copy of your music/recordings in a different format for each device you own for your own personal use. So this means that we can only give you one copy of each album, but you can put a duplicate copy on each device you own (e.g. your smart phone, home computer, or MP3 player). We are unable to convert music recorded off the radio or home-made mixed/compilation tapes/CDs.
